Talk about making an entrance...Bliss does that and more with a spacious front foyer adjacent to a hard working mudroom. If the foyer did not impress then the visual line through over 30 feet of open living space will finish the job. This kitchen with its spacious island is sure to become a favourite spot for family and friends alike. The atrium roof section lifts eye and adds decorative appeal with transom windows. The master suite is complete with a bath, walk in closet and private location.
